

Value & Versatility

The incredible value of illuminated signs is realized with Dualite's trio of indoor workhorses

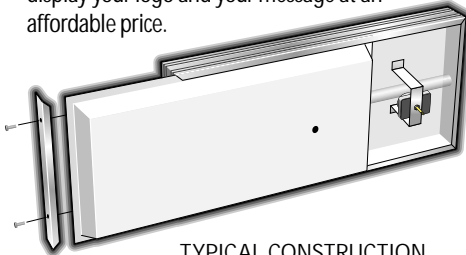

AstraLiner SuperDial DuaLuxe

The value of illuminated signs is best appreciated when you consider the exposure per dollar cost. A quality made Dualite sign is going to be working 24 hours a day, seven days a week, 365 days a year, year after year, gaining not only unlimited but repeat exposures! This un failing and constant exposure adds up to a quality advertising and marketing tool at a bargain price.

AstraLiner

The AstraLiner is an economical choice for an illuminated indoor sign. This unit will brightly display your logo and your message at an affordable price.

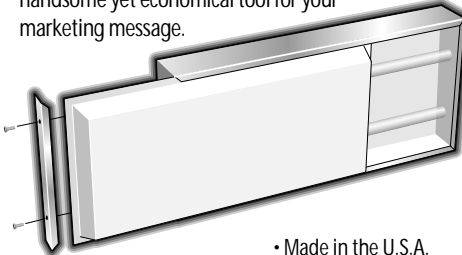

TYPICAL CONSTRUCTION
